TEST DAY RULES AND PROCEDURES

Check-in Deadline

The doors to each testing center will open at least 15 minutes before all scheduled testing appointments in order to check candidates into the testing center. You should plan to arrive early to make sure you are seated by the time the testing begins. If you arrive late, AND the testing session has already begun, YOU WILL BE TURNED AWAY, will forfeit your exam fees, and will be required to reschedule for a future testing date.

Proof of Identity

Upon arriving at the testing center, you will be required to show government-issued, photo-bearing identification. The photo-bearing ID must be current and valid. Forms of valid photo-bearing ID are a driver's license, passport, or military ID. You will also be required to sign a test center log and will be photographed by the test center staff. If you cannot produce a valid government-issued photo ID, refuse to participate in signing the test center log, or refuse to be photographed, you will be dismissed from the testing center and forfeit all testing fees for that testing session.

If you do not have a photo ID, you may still present a valid State driver's license without a photo, a State ID card without a photo that is issued by the DMV, or a birth certificate.

Prohibited Items

No cameras, recorders, cell phones or other communication devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Visitor Policy

No one other than the candidate will be allowed in the testing room. Non-testing visitors are NOT permitted to wait in the lobby while candidates test.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the exam or caught using unauthorized materials during the exam will be reported directly to the Department. Those caught in the act of cheating will be dismissed from the exam and their testing results will be frozen. Furthermore, the candidate will forfeit the testing fees paid. Finally, anyone caught with test questions in their possession, either during or following the exam will be prosecuted by Prov for theft of copyrighted material.

RESULTS REPORTING

Upon completion of an exam, your test will be scored, and you will be provided with a score result while at the testing center. There is no charge for the on-site scoring. The State will be notified of your results automatically.

All exams will be scored and graded against a cut-score of 80%. Because the examination process is a requirement for licensure with the New Mexico Board of Nursing, candidates automatically consent to permit Prov to share their test results with the Board.

RETESTING POLICY

In the event of a failed exam, the candidate must submit a re-examination application to the New Mexico Board of Nursing. CHT I candidates may repeat the exam one time within a 2-month period from the first attempt and within 6 months of completion of the training program. CMA I candidates may attempt the exam a total of 3 times with a period of 2 months between attempts. CHT II and CMA II candidates may repeat the exam one time within a 2-month period from the first attempt.

Candidates cannot retake an exam once they have passed that exam.

EXAM CHALLENGE PROCESS

If during an exam, candidates encounter a question they think is inaccurate or otherwise incorrect, they are encouraged to submit an Exam Comment form to Prov detailing why they feel the question is in error. Candidates testing on computer may make their comments in the testing system.

Prov staff will review each comment within two weeks of receipt by Prov and will make scoring adjustments

should any comment result in a change to a test question.

HAND SCORE REQUEST

Prov ensures the accuracy of our exam results. Our computer system is designed to identify and report any potential error in data collected from an exam session. If you would like to have your score reassessed for accuracy, you can request a Hand Score by calling Prov at 1-866-720-7768 and asking for a Hand Score Request Form.

A Hand Score Request form requires a signature and must be mailed to Prov. Forms must be received by Prov no later than ninety (90) days after your examination administration date and must be accompanied by a copy of your original score letter.

Once a Hand Score is received, Prov Staff will process the request within seven (7) to ten (10) business days. During the Hand Score process a staff member will ensure that your answers were properly recorded and scored by comparing the captured answers to the exam key. Upon completion of the Hand Score we will provide a letter by mail to report the outcome of the reassessment.

The cost of the hand score is \$25.00 (includes tax).

PROV'S NON-DISCRIMINATION STATEMENT

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at 866-720-7768 or write to: Prov, Inc., 5200 NW 43rd St., Suite 102-167, Gainesville, FL 32606.

SPECIAL ACCOMMODATIONS

Prov complies with the Americans with Disabilities Act (ADA) in providing special accommodations for candidates that require additional assistance during the testing process. If you feel you qualify for a special accommodation during testing, you should contact Prov at (866) 720-7768. We will require written documentation from a licensed physician or psychologist documenting the disability and further require a request describing the requested remedy. Prov will then make the necessary accommodations.
