SCMHR has contracted with Prov, Inc. to administer the examinations for its certification programs. Examination Categories

The following is a list of the examinations administered by Prov for certification through SCMHR. All exams are closed book and are timed. Detailed information about exam content, and duration can be found in the Exam Descriptions section of this document.

Certified Clinical Electrologist (CCE)

The CCE exam is the first level of certification for electrologists and is based on one's current knowledge and practice. A candidate must be a practicing electrologist or have completed (or nearly completed) electrology training to sit for this exam. In addition, it is recommended but not required that an electrologist have one year of practical experience prior to sitting for the CCE exam. This exam is a prerequisite of the CME exam.

Certified Medical Electrologist (CME)

The CME exam is intended for electrologists who also practice laser hair removal and requires the candidate to hold a valid CCE designation. While many of the 100 questions pertain to laser use, there are also advanced questions addressing issues covered in the CCE exam.

Certified Laser Hair Removal Professional® (CLHRP®)

The CLHRP exam is for anyone who practices laser hair removal, including physicians, nurses, medical estheticians, electrologists and physician assistants. To sit for the CLHRP® exam, one must currently practice laser hair removal. It is highly recommended that appropriate laser courses be completed prior to sitting for this exam. Experience in or knowledge of other hair removal modalities is a plus.

Exam Administration Method

Prov provides its examinations through computer testing centers located throughout the country. Computer testing provides you access to daily testing and rapid score processing.

Computer-Based Testing

Prov has taken every effort to make its computer testing system as easy to use as possible. No specific computer

experience or typing skills are needed to take the test. Candidates who take a computer-based test will be given verbal and written instructions and will complete an interactive tutorial prior to testing.

The written instructions for computerized exams are included in this bulletin. Please refer to the Computer Based Testing Candidate Notice for these instructions and a visual of the screen layout.

For an opportunity to preview Prov's computer-based testing system before arriving at the test center, candidates can watch a demonstration video by visiting <https://youtu.be/h3T9svnldLY>. This short movie provides a basic demonstration of how to take a test on Prov's computer system.

Scheduling Process

Scheduling your examination is a two-step process; first, you must register for the exam, and then you must select a testing date and make payment for your exam.

Prov offers several convenient methods to allow candidates to schedule their examination(s) in advance. Candidates may use any of these methods to schedule their testing appointments. Note that there is no difference in fees for use of any of these methods.

The advance scheduling methods available are:

- Online
- Over the phone
- By Mail
- By Fax

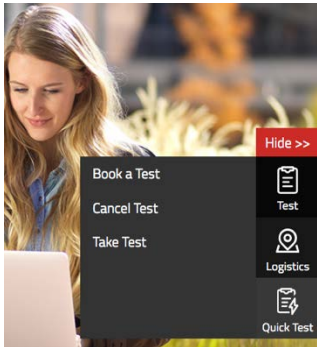

The deadline for scheduling your test will vary based on the testing center you select. The advance scheduling deadline ranges between one to six business days depending on the testing location.

Advance Scheduling Methods

Online Scheduling

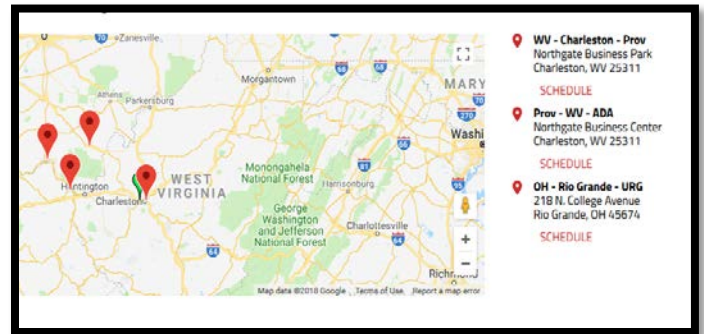

To schedule online, a candidate must go to Prov’s home page at www.provexam.com.

Step 1:

On the right hand side of the homepage:

- **Locate** the Test icon
- **Press** the Test icon
- **Select** Book a Test

Step 5:

Select a test **date** and **time** from the calendar that matches your schedule.

Step 6:

Confirm your selected date and time, and select **Add to Cart**.

Step 7:

Proceed to payment. The examination is prepaid by the licensing board so the exam totals should equal \$0. Press Submit to finalize the registration.

Step 2:

Enter your identifying information into the system. The State has already shared your testing information with Prov. We need to locate your information within our system.

Follow the on-screen fields to enter your Known Candidate ID and your Last Name. The Candidate ID will be your **Testing Voucher Number** which will be provided to you on your registration letter received from the Society for Clinical & Medical Hair Removal, Inc. Please enter all of the numbers.

Then, enter your last name and select the **Retrieve Details** button.

Step 3:

On the Welcome Screen, you will schedule a Date, Time, Location for your exam by selecting the link labeled:

Step 4:

The scheduling system will display a map to graphically show where the different testing centers are located. Select a testing center from the list of centers to the right of the map. Select the SCHEDULE link to check the calendar for the testing center.

An email will be sent to you confirming your scheduled date/time and location.

If you have any problems with online scheduling, give us a call at (866) 720-7768.

Phone Scheduling

To schedule for an examination by phone, candidates should contact Prov toll free at 866-720-7768. Prov scheduling staff is available 8:00 a.m. through 6:00 p.m. ET, Monday through Friday.

Candidates should be prepared to provide the Prov scheduling staff with their name, Prov Candidate ID and their ZIP code. Once Prov confirms the candidate’s identity, Prov staff will search the database for the next available testing session at the candidate’s preferred testing location and will provide candidates with any alternate locations that may be in close proximity to their address. Once candidates are scheduled, Prov staff will email them information regarding their testing schedule.

Cancel/Rescheduling Policy

If candidates need to change or cancel their testing appointment, they must contact Prov at least three business days prior to their scheduled date. Changes will be made at no cost if candidates notify Prov by the deadline. If candidates fail to appear for their test or fail to cancel or reschedule their testing session by the close of business three days prior to their scheduled test date, they will forfeit their exam fees.

Acceptable Method of Payment

Candidates paying for their proctoring fees provided by Prov can use the following methods of payment:

- Money Orders
- Cashier's Checks
- Certified Checks
- Credit Cards (AMEX, Discover, Master Card, Visa)

No personal or company checks will be accepted and all registrations that include personal or company checks will be returned without processing.

What it costs to test

The cost for proctoring fees paid to Prov to take the SCMHR test is \$85.00 per test. This fee is in addition to exam fees collected by SCMHR.

Retesting Policy

Candidates cannot retake an exam until they go back to SCMHR and get approved.

Candidates who fail the exam or who fail to take the exam by the end of their eligibility must contact SCMHR and pay the retesting fee. Please contact SCMHR if you have any questions regarding retesting rules.

Cancel/Rescheduling Policy

If candidates need to change or cancel their testing appointment, they must contact Prov at least three business days prior to their scheduled date. Changes will be made at no cost if candidates notify Prov by the deadline.

If candidates fail to appear for their test or fail to cancel or reschedule their testing session by the close of business three days prior to their scheduled test date, they will forfeit their proctoring fees.

Results Reporting

Because the examination process is a requirement for certification with SCMHR, candidates automatically consent to permit Prov to share their test results with SCMHR. Upon completion of an examination, a candidate's test will be scored and electronically sent to SCMHR.

Prov's scoring system will grade your exam immediately upon completion of your test and will automatically forward the results to SCMHR. You will receive a copy of this same report the day of your test from the testing center. You must achieve a 70% score in order to pass the exams.

Exam Challenge Process

If during your computer exam, you encounter a question you think is inaccurate or otherwise incorrect, you can enter an Exam Comment into Prov's system detailing why you feel the question is in error.

Any comments will be reviewed by SCMHR for validity.

Test Day Rules and Procedures

Check-in Deadline

The doors to each testing center will open at least 30 minutes before all scheduled testing appointments in order to check candidates into the testing center. Candidates should plan to arrive early to make sure they are seated by the time the testing begins. If candidates are late in arriving, AND the testing session has already begun, CANDIDATES WILL BE TURNED AWAY and will forfeit their exam fees and will be required to reschedule for a future testing date.

Proof of Identity

Upon arriving at the testing center, candidates will be required to show government-issued, photo-bearing identification. The photo-bearing ID must be current and valid. Forms of valid photo-bearing ID are a driver's license, passport, or military ID. Candidates will also be required to sign a test center log. If candidates cannot produce a valid government-issued photo ID, or refuse to participate in signing the test center log, they will be dismissed from the testing center and forfeit all testing fees for that testing session.

There may be times for religious reasons, a candidate does not have a photo ID. In this situation, if they have a State driver's license without a photo, a State ID card without a photo that is issued by the DMV, or a birth certificate, we will accept these as valid identification.

Prohibited Items

No cameras, recorders, cell phones or other communication devices are allowed in the testing room. Talking and smoking are not allowed in the testing room.

Reference Material Rules

All exams are closed book. Prov asks that candidates leave all unauthorized materials in their vehicle. If candidates are caught using unauthorized materials during testing, these materials will be confiscated, their testing will be terminated with fees forfeited, and SCMHR will be notified of their actions.

The exams are closed book, but you may use **ONLY** a translation dictionary. This cannot be a medical dictionary, but just a basic English to Spanish, French, Russian, etc. translation dictionary.

Visitor Policy

No one other than the candidate will be allowed in the testing room. Non-testing visitors are NOT permitted to wait in the lobby while candidates test.

Unethical Conduct Policy

Any individual caught giving or receiving assistance during or after the examination, or caught using unauthorized materials during the examination will be reported directly to SCMHR. Those caught in the act of cheating will be dismissed from the examination and their testing results will be frozen. Furthermore, the candidate will forfeit the examination fees paid. Finally, anyone caught with test questions in their possession, either during or following the examination will be prosecuted for theft of copyrighted testing materials.

Prov's Non-Discrimination Statement

Prov provides equal access to its exams and testing programs for all eligible persons. Although individual jurisdictions that Prov represents are wholly responsible for determining eligibility of candidates, it is the policy of Prov to maintain an environment free of discrimination and to prohibit discrimination and harassment against

any person on the basis of race, color, national origin, gender, religion, age, disability, political beliefs, sexual orientation, and veteran, marital or family status.

Harassment of Prov program participants, proctors, staff or candidates will not be tolerated. If candidates wish to express concerns about discrimination, they should contact Prov at 866-720-7768 or write to: Prov, Inc., 5200 NW 43 St, Suite 102-167, Gainesville, FL 32606.

Special Accommodations

Prov complies with the Americans with Disabilities Act (ADA) in providing special accommodations for candidates that require additional assistance during the testing process. If candidates feel that they qualify for a special accommodation during testing, they should contact Prov at (866) 720-7768. Prov will require written documentation from a licensed physician or psychologist documenting the disability and further require a request describing the requested remedy. Prov will then work directly with the candidates to make the accommodations they will need in order to complete their examination.

Preparing for Your Exams

Studying for your Exam

The test questions used on the examinations cover the wide range of topics candidates would normally encounter in their particular field. Prov recommends that candidates prepare for their tests by familiarizing themselves with the exam subject areas listed in each exam description.

The areas tested include knowledge and skill you develop from being in practice, as well as those learned from initial training. If you are a good practitioner and have had quality training, you should have no difficulty passing the examination.

Purchasing Study Guide

To purchase the study guide without completing the exam application, please contact SCMHR's Home Office (608-443-2470 or HomeOffice@scmhr.org) for a study guide order form. Certification study guides may also be purchased on SCMHR's website at www.scmhr.org by clicking on Store > SCMHR Publications and selecting the appropriate guide.
